DOC. MICRO. SER.

SUBJECT: GENERAL- Operational
SPECIFIC- Picture of Josef URBAN

1. Attached is a late photograph of the notorious Josef URBAN, whose imminent expulsion from Austria will only serve to increase the security hazard population in West Germany, since "Josi" can only be expelled to West Germany.

2. This photograph is not more than a year old, and was procured by U/M through a most interesting channel, the person actually providing the picture being Ing. Simon WIESENTHAL, well-known personality of LINZ, Austria. We imagine U/M obtained the picture from [] who in turn had it from WIESENTHAL, but in any case U/M assures us there are no security precautions necessary in disseminating this picture.

3. [] has forwarded the same picture, obtained via [] FINAL, but we send this on to ensure all interested parties have a print for their own.

4. A copy of this photo was passed to VIENNA informally.
